WITH WARNING AGAINST THE CHIP TOTALITY

IVO A. BENDA 2007-11-27

Dear True people, because the Forces of darkness continue BUILDING THE CHIP TOTALITY at 200% capacity, the True people feel in their OPEN SPIRITUAL HEART the GUIDANCE OF LIGHT by the Prime Creator of all and everybody and by the Angels of Heavens, and this GUIDANCE OF LIGHT enables to execute such steps that, in today's conditions, it is possible to help and SAVE PEOPLE FROM THE CHIP TRAP and ENSLAVEMENT by the hellish saurians. These steps include THE EFFECTIVE SPREAD of the True – truthful – information, which enable people, according to their own choices, to gradually LIBERATE from the negative state's trap and to change their state to the positive by changing their style of life. This means: A CLEAR WARNING on the key problem of humankind and plain-spoken information about a real option to solve the problem. This cannot be done by one man for others, but the more people will correctly work this way, the higher is the degree of solution to this problem ! Then, it would be possible to either STOP the building of the chip totality by the Forces of darkness, or to SLOW DOWN this crazy hellish building into a longer period of time, thus enabling THE SPIRITUAL GROWTH of people of planet Earth and, subsequently, LIBERATE them from the toils – labyrinth – trap of the negative state.

THE MOST EFFECTIVE spreading is a PERSONAL ANONYMOUS DELIVERING INTO ALL MAIL BOXES (even ones with no advertisement labels) OF MANY PEOPLE THE SMALL CARD-SIZED PICTURES (SIZE 91x54 mm) with references to the light source [www.angels-heaven.org](http://www.angels-heaven.org) , with THE WARNING AGAINST THE CHIP TOTALITY and with pictures of the Heavenly Angels and their space ships. Such pictures are correctly and cheaply printed by Ivo A. Benda (see contact on the website). In addition, it is possible to place these pictures individually on public places and insert them elsewhere in bizarre puppet-structures. The spreading of Light via Internet is more and more hampered by network, web and chat administrators by means of FILTERS !!! Don't give this small leaflet to false, manipulative, low and undeveloped people ! If you do so, they will try hurting you and discourage you from this nice and important work for other people. Jesus Christ was also going with his Light TO people, but he didn't bother them. Please, realize that THE CHIPPING OF ALL PUPPET-PEOPLE AND ALL OBJECTS BY THE SAURIANS FROM HELLS IS NEAR AT HAND ! Therefore, try to be responsible in approaching your teleinformative mission of Light that you chose yourselves prior to the birth from Heavens to planet Earth. You are on the sinking traject ESTONIA where most people are sleeping and do not hear the warnings, and only a small number of people are hearing your warnings and taking correct steps so as not to sink down ! This is the tangible reality.

THE SPREADING OF THE PICTURES OF LIGHT usually begins at the place of YOUR RESIDENCE and continues further and further. Minimize the transportation costs, don't carry weighty things, wear inconspicuous clothes. If the mail boxes are behind the closed door, ring the bell and ask somebody to let you inside to the mail boxes. To give your message to people IS YOUR SUPREME RIGHT GUARANTEED BY THE CONSTITUTION AND IT BELONGS TO THE DEMOCRATIC PRINCIPLES ! For your own need, it is important to mark houses with a red felt-tip pen (CD marker) on a BLACK-AND-WHITE COPY OF CITY PLAN (see the picture). One can also use SATELLITE IMAGES of cities and villages for localization of target houses. It is effective to begin with the LARGEST HOUSES – BLOCKS OF FLATS, and to end with small family houses (10x difference in effectivity). Make regular pauses for resting ! I strongly recommend that you work INDIVIDUALLY, INDEPENDENTLY and SECRETLY so as not to be under influence of other, undeveloped people, who focus on THEIR calculated selfish interests, NOT on the help to others. Don't try to externally organize groups of people; by doing so, you will massively open the doors to the saurians from hells ! Don't distribute pictures in extreme climate conditions (frosty or sultry weather, storms and the like). Please, while doing this work, sense thoroughly YOUR FEELING, which is usually wonderful and it is given by the Angels of Heavens and the Prime Creator of all and everybody, who LEAD YOU IN YOUR IMMEDIATE STEPS. DON'T PLAN ANYTHING – this way you WON'T GIVE any chance to the saurians from hells to reprogram the puppet-scene in the place of dissemination and so they won't be able to set up many obstacles to you ! This approach corresponds to the seriousness of the situation. The true, positive people are being REWARDED for their correct life choices and acts by a joyful, happy and rich life already here on the old Earth, and, thanks to their vibrations, they are prepared for the EVACUATION ONTO NEW EARTH IN HEAVENS – THE TRUE CREATION. They don't experience the more and more intensive enslavement and control, which touches the majority of 7 billion people.
