

## I HAVE AN ANGELIC DREAM

"I have an angelic dream that one day earthly nations will rise up and live out the true meaning of their creed: 'We hold these truths to be self-evident, that all men are created equal.'

I have an angelic dream that one day on the planet Earth, the sons of Angels of Heaven and the sons of former Angels of Darkness will be able to sit down together at the table of love and brotherhood.

I have an angelic dream that one day even the planet Earth, the desert planet, a planet sweltering with the heat of injustice, sweltering with the heat of slavery and oppression, will be transformed into an oasis of freedom and justice.

I have an angelic dream that My children of Earth will one day live on this planet where they will not be judged by their position and role but by the content of their character.

I have an angelic dream that people will begin speaking in CZECH – in A SINGLE planetary language and will throw away 7000 different languages poked here by the infernal saurians from lots of other worlds so that people could never understand themselves.

I have an angelic dream that people on the Earth will begin using their SPIRITUAL HEARTS in their lives, where they have Creator's highest truth, love, wisdom, good and intelligence and the avails from these.

I have an angelic dream that one day, people will begin using the technologies only for their USE, use of planet Earth and the entire Creation, and will stop slaving for useless things, and that they, once for all, get rid of all weapons given here by the saurians from hells.

I have an angelic dream that people will eliminate all infernal media that destroy people's lives, manipulate them, misinform and confuse them and disallow them to attain happiness, health, love, truth, wisdom and all uses from these.

I have an angelic dream that one day, people will begin looking up to the East instead of the West, i.e., to the INCREASE OF LIGHT – the love and truth, thus to the path of THE ASCENSION TO THE HEAVENS.

I have an angelic dream that every day, people will sing together in joy, happiness and health and work for society a minimum of time much like the Angels in Heavens do. In 2009, this is 4 hours a day and, after due transformation of the infernal sucking system into the heavenly system, this would be just 2 hours a day.

I have an angelic dream that one day the puppet-mankind on the planet Earth shall rise up from the manacles of remote control by the Forces of Darkness, cease pointless slaving for material regarded as a god, and take its life into its own hands by means of THE PRIME CREATOR'S PURE LOVE.

I have an angelic dream that mankind will throw away the yoke of curse of the negative state, will cease once and for all being a puppet-mankind of the saurians from Darkness, and will join THE BIG HEAVENLY FAMILY OF ANGELIC WORLDS IN A PURE LOVE just as it has been since time immemorial – since times of creation by THE PRIME CREATOR OF ALL AND EVERYTHING !

I have an angelic dream that this mankind will fly up free to the Heavens, and it will keep its experience of the world of slavery and fallacy just for the reason of never again coming under seducement and temptation of the Forces of Darkness and their negative state.

This angelic dream I see in beautiful bright colors as the future of people on the planet Earth which they choose in understanding that only PURE LOVE IN THEIR HEARTS SETS THEM FREE !

There is no force to stop this angelic dream, for THE LIGHT WINS AND THE LIGHT IS THE SOURCE OF LIFE given to us as a gift from THE PRIME CREATOR OF ALL AND EVERYTHING, WHO HAS BEEN FOR EONS EVERYWHERE AND IN EVERYTHING – THE ABSOLUTE LOVE, WISDOM, GOOD, TRUTH AND INTELLIGENCE.

Given to all of you, dear people, by THE LORD JESUS CHRIST."      Received by Ivo A. Benda    Message 2870    Leaflet 153    Pic. 4003 EN    September 19, 2007
